Dear World:

We'd like to invite you to our show because we need to re-educate you about The Situation, specifically, or perhaps more generally speaking, the issues of right and wrong, because "right" now, you've got it all WRONG.

Some things that are wrong:

- 1. A certain type of man of which there are many, all of whom rule the world and torture—literally—us, for no reason (see our travel brochure/exposé *Stoning for Pleasure and Profit in Many Countries*) and all that really needs to happen is your wives roll over and stab you in their sleep, *problemo solved!**
- 2. Wake up! Machines are needy little takers.*
- 3. The Lack of Sleep/Christmas/Corn Syrup Chain of Signifiers/Absence of Leisure Time To Make Art and Write etc./Our Educational Cultural Indoctrination System Which Turns Lumpen Dull-Witted Three-Year-Olds Into Massive Raving Homo-Bashing Tumors Stewing In Hot Tubs On Their Own TV Shows/Axis of Evil. We're ALL The Biggest Losers.*
- 4. The military-industrial-pharmaceutical-artworld complex*
- 5. Animals in captivity, including the loss of all carbon-based life forms*
- 6. Domino effect, Chinese accordion, string pulled on sweater, Russian nesting dolls*
- 7. Plastics & pesticides (in your tits!)*
- 8. The greater the massacre, the bigger the Xmas bonus*

9. *Unending Ice Capades of Destruction*

10. *Everyone's desire to be happier than everyone else's desire to be happy*

For these reasons and more, you, World, really need to come visit us in 300 square feet of luxurious, non-denominational, nonlinear, spa-like atmospherics of the gallery Invisible-Exports (that's the name of the gallery). Your visit will be rewarded by mind-expansion and tax cuts for the rich. BYOR! (Bring Your Own Road!)

*Your BFF 4-Ever,
Ridykeulous*

P.S. Our show is called Readykeulous: The Hostile Healer (The Correspondance Issue) because we have chosen at this point in time to highlight our letter-writing skill-set.
